

# Year 1 Homework 05.10.2018

## Maths Challenge!

This week in maths we have been looking at number bonds to 5 and 6. We have used cubes and counters to show different ways of making 5 and 6, and then have written or verbalised each possibility in different ways. For example; 2 plus 4 equals 6, 2 add 4 makes six, 2 and 4 is 6, 6 is 2 and 4.

Can you say these number sentences in different ways?

## Composer of the month

This month our composer of the month is Mozart. We listen to his music every morning coming in to school.

**School challenge:** To find out more about Mozart, his life and his music.

## Reminders:

**P.E:** PE is every Friday morning. Please send your child to school with the correct kit: white t-shirt, black shorts and black pumps.

Please label your child's kit.

**Big Maths:** The big maths sheets are activities that we do throughout the year, there is no deadline for it and also it does not need to be timed.

# Literacy

This week we have been learning a new story map. This is the story map of our postcard from Gerald. We learn these texts to help us use the structure and ideas in our own writing. Next week we will be writing our own postcards. Please encourage your children to practice the text map at home as it will help them a lot when they come to write their own.

## Sentence writing.

In Year 1, we have been looking at sentence structure, thinking about the order that words need to go, in order to make sense. We have also been talking about finger spaces, capital letters and full stops, all the things that our sentences need to have. Can you re-write the sentences below so that they are correct?

1. MydogiscalledArnie.

2. i can see a tree.

3. to went I the shop.

4. I went to the park Then  
I had an ice-cream
