

Year 2 Homework 04.10.18

Year 2 parents,

In Year 2, we will be writing a non chronological report about hermit crabs. We are using our knowledge of this rock pool animal from science to complete our writing. Here are some facts we have found out about hermit crabs. Please help your child to find out more information so they can use it in their report.

All About Hermit Crabs

There are many different types of hermit crabs found all around the world. Read more to find out about this fascinating crustacean.

What are hermit crabs?

They are a crustacean species **that** have a hard outer shell. They belong to the same family as lobsters **and** can come in different colours such as red, brown, purple. They can also have patterns, strips or dots. They have ten joined legs **and** two pairs of antennae, one for feeling and the other for smelling and tasting. They find its shell from other animals **that** no longer need them. They need these shells to protect their soft

What do they eat?

Hermit crabs are omnivore. they eat plants and anim insects, worms, small fish

Year 2 Homework 04.10.18

SPELLINGS

These words are used most commonly used by children in Year 1 and 2. Children in Year 2 must be able to spell all these words off by heart in their writing....

I
has
his
cold gold
hold told

They will be tested every Tuesday.

Reminders

Swimming – is **every Wednesday** afternoon. Please bring in kits.

Toast and juice

All toast and juice money must be paid on Monday for the whole week. Please send in an envelope with the child's name on it, amount and whether it's for toast and juice or both.

Forest school

Children will be taking part in forest school every Friday afternoon. Please bring old clothes in a bag to change into that will be suitable for outdoor activities.

HOMWORK PROJECT

We would like the children in Year 2 to complete a home project on the theme of a rock pool.

Please make a rock pool or a rock pool animal that lives in this habitat. Here are some ideas...

Bring them into school on
Thursday 13th December.
When we will also be sharing them with
