

Year 1 Homework 19.10.2018

Maths Challenge!

This week in maths we have been looking at number bonds to 7, 8, 9 and 10. We have used cubes and counters to show different ways of making these numbers. We have then written 4 different number sentences for each. For example; $6 + 4 = 10$, $4 + 6 = 10$, $10 = 6 + 4$, $10 = 4 + 6$

Can you write 4 different number sentences for these?

Challenge:

Composer of the month

This month our composer of the month is Mozart. We listen to his music every morning coming in to school.

School challenge: To find out more about Mozart, his life and his music.

Reminders:

P.E.: PE is every Friday morning. Please send your child to school with the correct kit: white t-shirt, black shorts and black pumps.

Please label your child's kit.

Big Maths: The big maths sheets are activities that we do throughout the year, there is no deadline for it and also it does not need to be timed.

Spellings

Spellings will be tested every Friday, after practising in lessons throughout the week. Please encourage your child to practise these at home. This week we will be some of the Year 1 key words.

Literacy.

Next week in Literacy we are looking at writing poems. We will be writing our own animal poems. Can you try and find some poems? What is the same and what is different about them?

Below are some examples we have looked at.

Snail

Snail upon the wall
Have you got at all
Anything to tell
About your shell?

Only this, my child—
When the wind is wild,
Or when the sun is hot,
Its all I've got.

A Chubby Little Snowman

A chubby little snowman
Had a carrot nose;
Along came a rabbit
And what do you suppose?
That hungry little bunny,
Looking for his lunch,
ATE the snowman's carrot nose...
Nibble, nibble, CRUNCH!
