

Year 2 Homework 25.10.18

SPELLINGS

These words are used most commonly used by children in Year 1 and 2. Children in Year 2 must be able to spell all these words off by heart in their writing....

be he
me she
steak pretty
beautiful

They will be tested every Tuesday.

Reminders

Sports club -

All children must have PE kit to take part in after school PE clubs.

Home reading -

Please continue to read with your child at home and complete their reading diary. In Year, 2 it is important to not only hear your child read but also to ask them questions about their reading to see how much they understood. Ask them to find the answer in the text to prove how they knew the answer.

HOMWORK PROJECT

We would like the children in Year 2 to complete a home project on the theme of a rock pool.

Please make a rock pool or a rock pool animal that lives in this habitat. Here are some ideas...

Bring them into school on
Thursday 13th December.

When we will also be sharing them with you in the
afternoon at 2.30pm on Thursday 13th December.

Year 2 Homework 25.10.18

Year 2 parents,

In Year 2, we will be writing a poem based on tongue twisters using our animal and rock pool theme. We will be writing short sentences and phrases that when said quickly, will be difficult to say. Please help your child to read the mentor text as quickly as they can without making a mistake!

What A Crazy Animal World

Ten terrible tigers tipping tap water over travelling turtles.

Bubbly black bears bouncing below bored baboons.

Clever, curious cats cuddling cute caterpillars.

What a crazy animal world.

Dirty, dark dogs dancing in Devon.

Elegant elephants easily eat exciting Easter eggs.

Floating fish feeling fantastic.

What a crazy animal world.

Grumpy goats grumble at greedy geckos.

Hilarious hippos happily have a huge hamburger.

Little lambs like licking lovely lemons.

What a crazy animal world it is!

Handwriting practise

Please help your child to practise their handwriting over half term. As a Year 2 writer, it is important to write letters starting in the right place and the correct size to each other letter.

a b c d e f g h

i j k l m n o p

q r s t u v w

x y z

We have also been learning to add a one digit number to a two digit number, as well as subtract a one digit number from a two digit number. How many calculations can you do over the holiday?
