

Thursday 14th March 2019

Dear Parents and Carers,

I'm delighted to let you know that we have now appointed a new permanent Principal to Pegasus Primary. Vanessa Wardle will join the school directly after the Easter break.

Ms Wardle is an experienced leader, having worked in a range of different schools. She is very excited to be joining the Pegasus team, and can't wait to work with your fantastic children – some of whom she met during her interview, and was thoroughly impressed by.

Ms Wardle will arrange a meeting with parents as soon as possible after she has joined the school so that she can share her vision and ideas. She is very keen to begin working in partnership with parents.

I'd like to take this opportunity to thank Mrs Simcox, and Mrs Phillips, for their sterling work as Interim Head of School and Interim Executive Head, holding the fort and maintaining standards since September – they have done a great job, as you know.

Thank you all for your ongoing support for Pegasus. We now look forward to a period of stability in leadership at the school that will ensure that the school gets to good and beyond as soon as possible - it's what our children deserve.

Yours sincerely,

Catherine Anwar
CEO
Summit Learning Trust
