

Year 5 22 03 19

Maths

This week we have continued to look at decimal fractions and money in Maths. Have a go at the attached questions to practice what we have been learning. I have provided some examples to help you.

Coming Soon:

7th March - World Book Day
11th March - School Closed (INSET)
12/13th March - Parents' Evening
15th March - Red Nose Day
26th March - Wear Purple Day
11th April - Easter Holidays
12th April - School Closed (INSET)
Project Sharing Afternoon - Wednesday
3rd April (2:30PM)

Spellings - Endings with cious/tious

Vicious, Precious, Conscious, Delicious, Malicious, Suspicious, Ambitious, Cautious, Fictitious, Infectious.

Topic/Homework Project

Over the last few weeks, Year 5 have been learning about 'Stargazers' in topic lessons. We have identified what we would like to find out by the end of the topic, and have researched the solar system and its planets in more detail. This week we have looked at the influence of Galileo Galilei and his beliefs about the solar system.

The 'Hola Mexico' Project sharing afternoon will be on Wednesday 3rd April (2:30PM)

If you require another copy of the sheet with ideas for the project or have any other questions, please let me know.

Reminder:

Reading records need to be brought in everyday. Aim to read and record at least 3 times per week. Records will be checked each morning.

Record the name of the book, pages read, and write a comment about the book or write down new vocabulary.

What are the missing numbers?

$$\frac{\square}{50} = 0.6$$

$$\frac{48}{\square} = 0.6$$

P1 $\frac{1}{100} = 0.01$	P2 $\frac{1}{1000} = 0.001$
P1 $\frac{11}{1000} = 0.011$	P2 $\frac{12}{100} = 0.012$
P1 $\frac{13}{1000} = 0.13$	P2 $\frac{14}{1000} = 0.014$

1 $0.123 = \frac{?}{1000}$	3 $1.023 = ? \frac{?}{1000}$
2 $1.123 = ? \frac{?}{1000}$	4 $0.103 = \frac{?}{1000}$

1 $? = \frac{456}{1000}$	3 $? = 1 \frac{406}{1000}$
2 $? = 1 \frac{456}{1000}$	4 $? = \frac{46}{1000}$
