

## Year 6 10 / 5 / 19

**SATs begin on Monday (timetable attached).**

The children have worked extremely hard throughout this year and are well prepared for their tests therefore there is no set home-work for this week. They are aware of any topics in maths that they may benefit from revising and there are many websites they can visit to support this.

To ensure they are ready to perform at their best they will need early nights throughout next week. The children will need to be in school at 8:15am each day to allow them time to calm down, eat breakfast and talk to their friends. Please ensure they are in on time as being late may apply un-needed pressure.
