Weekly Maths Tasks

Please log on to Doodle Maths using the password and username in your reading diary. Complete activities to increase your score.

You can also continue with [Times Tables Rockstars](#) to improve your score in our weekly test.

Weekly Reading Tasks

Read at least 3X per week and record this in your reading record.

Look at some of the new vocabulary from our reading this week. Use each one of the following words in your own sentences:

- combat
- convincingly
- tribulations
- introverted

E.g: An introverted character, Neil Armstrong kept out of the public eye as he got older.

Weekly Writing Tasks

LO: To empathise with a character

This week, you have imagined yourself as the first man on the moon and wrote a letter home to your family from space. For this week's writing task, imagine that you are a member of Armstrong's family that received the letter. What would you reply?

- How would you feel knowing that your family member was going into space?
- What do you want him to know has happened while he has been away?
- How do you feel now he has landed on the moon?
- What are you most looking forward to about him returning home?
- How do you think life might change for your family now?

Spellings

Topic words 2

weight	straight	minute	second	triangle
height	multiply	cylinder	metre	circle

Project

LO: To understand the phases of the moon

We have learnt that the moon orbits Earth once every 27.3 days and rotates on its axis in approximately 27 days. As a result, Earth sees different shapes of the moon depending how much of it is lit by the Sun. Draw and label the phases of the moon.
