Weekly Maths Tasks

- Work on [Times Table Rockstars](#)
- Log on to www.doodlemaths.com using the log in details you have been provided. You can use this regularly alongside times table rockstars to develop your understanding of a range of Maths topics.
- Practise your understanding of place value by answering these questions.

1) What is the value of the underlined digit in each number?

1234, 1357, 2468, 3579, 18642

2) Order these numbers in ascending order.

4732, 4237, 4372, 4723, 4327, 4273

3) Use < or > to complete the number sentences.

5678 _____ 5687

6587 _____ 6578

7856 _____ 7865

8576 _____ 8567

Weekly Reading Tasks

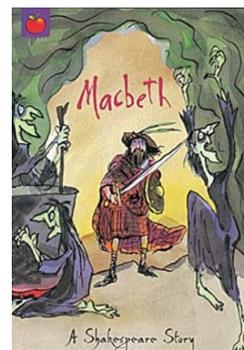

- Read your home reading book and record in your reading diary.
- Access myON using the link you were sent via email. Login using your details and access one of the thousands of brilliant ebooks.
- Write a paragraph to summarise what has happened so far in Macbeth. Explain who the main characters are, where the book is set and explain in detail the key events so far.

Weekly Writing Tasks

Write a character description of the three witches in Macbeth. Think about what we have learnt from the book so far to help you.

Things you can describe:

- Appearance – What do they look like?
- What do they sound like?
- How do they move?
- How do they smell?

Project

I Am Warrior

Use the following link to watch 'Horrible Histories-Rotten Romans'. Create a mind map with the title 'Rotten Romans' to record all the interesting and unusual facts that you learn.
