- d) 86,253-4213

- Work on [Times Table Rockstars](#).

Weekly Reading Tasks

LO: To understand my own reading preferences

Think about when you read to yourself and when someone reads to you. Which do you prefer? Write a short paragraph to explain why.

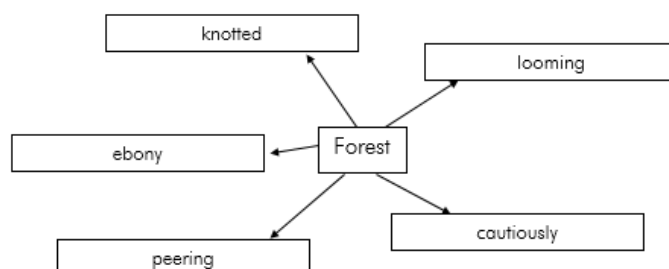

- Read at least 3X per week and record this in your reading record

Weekly Writing Tasks

Creative Writing

LO: To use description to engage the reader

Think about the scary setting you have chosen for your suspense story. Write it in the middle of your page then around it use verbs, adjectives and adverbs to describe the things in the setting and what it is like there. Remember to think about how things are moving and what they look like.

Spellings

Other word endings

important	helmet	fraction	packet	captain
village	mountain	moment	confident	voyage

Project

Science

LO: To understand food chains

Create your own food chain. It must have at least 3 animals in it. Think about what food chains begin with. Once you have created a food chain, add arrows to show how energy is transferred. Label the producer/consumers, predators and prey.
